Repeat rows 8-11 once more

Repeat row 8 to finish. End off weave in ends.

If making this dress larger, repeat 8-11 and 8 once more again.

Weave the ribbon in and out of the stitches on row 6. I weave mine in and out of every second stitch, but every stitch or even every 3 stitches will also work, try them out and see which appeals to you more. Use the ribbon to help tie the gown at the back.

Attach a small button to the top of the gown for closing.

Sew a small satin bow to the front of the dress, on row 3

Ribbons n Bows Hat

4.00mm hook

DK weight yarn (I cannot tell you what I used, it was kindly donated)

Some thin organza or satin ribbon.

Either make a magic loop or ch2.

1. Do 8 sc into the 1st ch or the magic circle. Sl st to join.
2. ch2, hdc in the same spot as the ch2, do 2 hdc in each st around. sl st to join.

8. ch2, hdc in each st and ch1 gap around. sl st to join. Finish off and weave in ends.

Take a piece of ribbon and thread it in and out of the gaps made by the dc row. Tie into a bow loosely.
(It helps here to place something inside the hat when tying the bow so you do not pull the hat in)
